

TCO Vikings 5K

FAQ

Are strollers and walkers allowed in the 5k race? Yes we are allowing strollers for this 5k race – we just ask that you start at the back of the pack so not to clog the start area up.

Can spectators see the finish in the stadium? Yes. More information regarding spectator access will be sent closer to the race.

Is the 40 yard dash for just 17 and under? - Everyone that does the 5k will have a time for their 40 yard dash to the finish too.

If you are a ticket holder, how do you distinguish that at registration? You will need to enter your season ticket account number during the online registration process.

For the kid's race – the older kids will do a lap around the concourse and the younger kids will do a 50 yard dash on the field.

Parking:

If you park near the stadium and take the Blue Line from the Stadium stop to the Lake St stop and walk 3 blocks to the start line. Or park near the start line and after the event take the light rail back.

For more information you can visit this website for locations and rates.
